

Pupil Premium Review December 2019 – Ashdon Primary School

Introduction

The Pupil Premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers. It is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings, Looked after Children, children adopted from care and Service Forces children. It also includes pupils who have been eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the Pupil Premium as they see fit. However, we are held accountable as to how we have used the additional funding to support these pupils and are also required to publish this information online. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the Premium and the extra support that they receive.

The main barriers to learning are:

- Inequality of opportunity around enrichment to the core curriculum offer.
- Financial status of parents.
- Social and emotional development.
- There are gaps within their learning, so academic achievement is below their peers.

In 2019-20 Pupil Premium funding is £1320 per pupil. Schools also receive funding of up to £2300 for Looked after Children and those adopted from care and £300 for Service Forces children.

Ashdon Primary School is to receive £15,160 this financial year.

How well do our disadvantaged pupils do?

We currently have 13 disadvantaged pupils across our school:

	Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Number of disadvantaged pupils	0	4	1	3	0	1	4

In 2018-19:

100% of our disadvantaged children (4 children) achieved the EYFS Good Level of Development vs 56.3% nationally
 100% of our disadvantaged children (1 child) achieved the expected the phonics screening vs 71% nationally.

Our KS1 results (3 children):

Pupil Premium (Disadvantaged)											
Reading				Writing				Maths			
School		National		School		National		School		National	
% working at expectations	% working at greater depth	% working at expectations	% working at greater depth	% working at expectations	% working at greater depth	% working at expectations	% working at greater depth	% working at expectations	% working at greater depth	% working at expectations	% working at greater depth
67%	33%	78%	28%	67%	33%	73%	17%	67%	0%	79%	24%

Our KS2 results (1 child):

Pupil Premium (Disadvantaged)
