

Headteacher comment

At this stage, the Government has chosen to keep schools open. However, I feel parents should expect, sooner or later, that this will no longer be the case. It would make sense that if the school had to close, that this was done either side of the Easter holiday (possibly both sides), so this could happen very soon. We will continue to follow national advice on this matter and will let you know any Ashdon school specifics if a decision to close schools is made.

If you have any doubt about symptoms your child is showing, phone 111 (do not go to the doctors). They will advise you of the next steps. Please keep the school informed, as we have a duty to report any suspected COVID-19 cases, including if it is a member of your family who doesn't go to our school. Please remember the national advice phone number if you have any concerns: 0800 046 8687 (8am – 6pm Monday to Friday).

Yummy!

We have been harvesting cabbages, leeks and purple sprouting broccoli this week. Mrs Osbourne kindly cooked our produce for the children to have with their roast dinners on Wednesday.

PTA events

On Friday the 20th Of March, the children can bring in £1 to purchase a Mother's Day gift.

On Thursday 2nd of April, there will be an Easter bonnet contest, with prizes for KS1 and KS2 and also an Easter egg hunt after school. The Easter egg hunt will be £3.00 to take part in. Tea and cakes will be served and you can participate in a raffle.

Stars of the Week

These are children who achieved our Star of the Week award in Sharing Assembly today:

Dates for your diary
