

Headteacher comment

It has been lovely to see so many happy smiling faces of the children over the last 2 days since they have returned to school. There has been a lot of positivity amongst the children after the enforced time they have spent out of school. I am sure there are still some worries but hopefully over the coming days and weeks the children will be reassured and feel safe.

I must also send a warm welcome to our new families who have joined the school. We have our new Reception children in this week for their transition 'taster' sessions and we also welcome 2 new families whose children have transferred from other schools. It is a great shame that we are unable to invite you all in to Sharing Assembly at the moment, but I look forward to getting to know you as this academic year progresses.

New non-fiction library

Over recent months we have looked at different ways to improve the resources and school site for the children.

Mrs Lunn has led the creation of our new library space in the Willow Room. Previously our library has been on shelves within the Learning Zone (where our computers are kept) but we have now purchased some purpose-built library shelves to store and display the books.

These are then complimented by 2 fantastic murals that were designed and made by the children and members of the local community.

Website

Over the summer holiday period I have redesigned the school website from scratch. It is not fully feature complete yet but if you do get a chance to view it, then please take a look at:
www.ashdon.essex.sch.uk

Our school

Welcome to Ashdon Primary School. The main

Dates for your diary

Viking Workshop Class 2	23/09/2020
Cauliflower cards deadline	14/10/2020
