

Headteacher comment

Our new Reception children have begun their first full-time week from today. Last week they came into school on a part-time basis and took part in some 'taster' transition sessions, as we were unable to do these last term. It is so pleasing to see that they are all settling in well and smiling.

Outdoor gym equipment

We have used some of our PE & Sport Premium funding from the Government to lay artificial turf underneath the equipment. This will help the children use the equipment all-year round without getting muddy. Unfortunately this equipment is out of action due to COVID-19 at the moment, so hopefully the children can enjoy using it later in the academic year.

Stars of the Week

Last week's stars were:

Dates for your diary

Viking Workshop Class 2	23/09/2020
Cauliflower cards deadline	14/10/2020
