

September 2021 intake

Do you have a younger child who will be of school age next September, or do you know a family who is considering which school to send their child to?

Our website homepage now has lots of information to help prospective parents decide whether our school is somewhere they wish to consider for their son/daughter. This includes: Our school prospectus, a video tour, a summary of what the Early Years Foundation Stage looks like in our school and prospective parents FAQs.

Unfortunately, due to the Covid-19 virus, we have decided not to offer either an Open Morning or personalised tours to the school.

Finally, please remember the national deadline to submit an application for a primary school place is **Friday 15th January 2021**.

Job opportunity: Midday Assistant

We would like to appoint a new Midday Assistant from January 2021 onwards. Midday Assistants play an integral role within our school, supporting and supervising our children across their lunch time. The post is currently for 3 days per week, 1 hour per day, i.e. 3 hours in total. Initially, this post will be offered as a temporary contract but it could develop into a permanent role. If you would like to get further details, or if you know someone who may be interested in this job, then please leave contact details with the school office, or speak to me on the school gate in the morning, and we will be able to send you further information, together with the procedure on how to apply.

Stars of the Week

The Stars of the Week last Friday were:

Christmas Parties

You will see that on the diary dates below, I have added the children's Christmas parties.

Usually we would ask parents to supply the food consumed at each party. However, this year we have decided that would not be a good idea to have hands in bowls, or on plates, of shared food. The school will supply some individual cakes and sweets instead.
