

Harvest Festival

Just before half-term we held 2 smaller-scale Harvest Festivals, where the children shared some work they had been doing related to Harvest, for example Class 2 shared about a Viking Harvest. We were delighted that Gavin Walter from Ashdon Baptist Church was able to join us and talk to the children about the importance of harvest.

Thank you to all the families who very kindly donated items towards our collection for the Uttlesford Food Bank, a display of which was made in the school to show the children.

PTA collection

A quick reminder for the PTA clothing and textiles collection. Please bring your items in a bag by the end of Wednesday 18th November, as the collection is the following morning.

Stars of the Week

A bumper crop of Stars of the Week this week, recognising those who gained the award the week before half-term as well as last week:

Non-uniform day

This Friday, November 13th, is Children in Need day. As is tradition, we mark this occasion by letting the children come to school in non-uniform (Class 3 will not have PE) and ask them to bring in a donation.

This year, we want to recognise World Diabetes Day (14th November), following a member of Class 2 being diagnosed with Type 1 diabetes. Therefore, we would like pupils to try and wear a blue item within their non-uniform and we will be sharing the donations between both charities.

Dates for your diary

Non-uniform day	13/11/2020
Individual photos	19/11/2020
Scooter session	26/11/2020
