

## Covid-19 during holiday

If your immediate family has to isolate during the Christmas holiday period, following a **positive** test for Covid-19, then please send an email to the school admin address as soon as possible after receiving the result. We are asking that you share this information with us, as the school may need to be involved with the government Track and Trace procedure, depending on the timing of the positive test.

Obviously, I hope that this is not required, so that you and your family remain in good health and have an enjoyable Christmas and New Year. Thank you for your support this term.

## Carol Competition

Some of our children recently entered a competition to write their own carol for the competition held by the Saffron Walden Choral Society. Olivia's entry, from Year 3, was recognised with a 'highly commended' award and Bertie, from Year 6, was awarded first place in the mixed-age category that he entered with his older brother Alfred. A fantastic effort from both of them – well done.

## Stars of the Week

The Stars of the Week last Friday were:

## Christmas parties

If your child wishes to wear party clothes to school on Thursday, they may do so (they are to come to school in them, as we will not be changing). All 3 classes will be playing party games outside, so outdoor party clothes should be worn.

Whilst the children wore the Xmas jumpers earlier in the month, if they want to wear them again on Wednesday, when they eat Xmas lunch, then they are welcome to do so.
