

Christmas

Whilst we couldn't do all our usual events around Christmas time in the way we would usually do them, we did our best to adapt them so the children would still enjoy participating.

I do hope you have had a chance to watch our Christmas performance and/or our Christmas Nativity videos produced by Mrs Clark.

The children also enjoyed the Christmas parties put on by the staff and of course the Christmas dinner prepared by Mrs Osborne and Mrs Mack.

Uttlesford School Sport Partnership

Towards the end of last term Uttlesford School Sport Partnership came in to work with Class 3.

The children took part in a New Age Kurling competition, which was being run across local schools.

The USSP also had organised a football competition for Class 2 and 3, which Owen ran during his Tuesday PE sessions. I am pleased to report that Ashdon finished 3rd in the Year 3/4 boys small schools section and we finished 2nd in the Year 5/6 boys small schools competition.

Stars of the Week

The Stars of the Week last time were:

New roof

We have used some of our PE & Sport Premium funding to have a netting roof installed over our Multi Use Games Area. This will prevent balls leaving the MUGA and entering other areas where the children are playing at break and lunch times.

Dates for your diary

2021 admissions deadline	15/1/2021
Weight/Height checks	20/1/2021
Safer Internet Day	9/2/2021
