

## Improvements to the EYFS outdoor area

We have some significant upgrades to the physical environment and equipment within our EYFS outdoor area.

Firstly, we now have a new gate at each end of the area, that was constructed by one of our parents, Trevor Miles, and installed by Trevor and his colleague, Graham. I hope you will agree with me, that they look fabulous. Best of all, Trevor has kindly donated these gates for FREE to the school, which is amazingly generous. A huge thank you to Trevor and his family.

An addition to the gates, we have purchased a new storage shed, which was erected by one of our handy-men, Nigel, with support from myself and Mrs Allen.

To go inside the storage shed, we have ordered 4 new types of ride-on and additional outdoors equipment. The first 2 ride-ons have arrived, but we are awaiting the rest to be manufactured.

Finally, we have some new interactive wall-mounted displays, in the form of mirrors and chalk board flowers. Photos of these improvements can be found on the 2<sup>nd</sup> page of this newsletter.

## Non-uniform day

To help celebrate Red Nose Day this year, we will be letting the children come in non-uniform this Friday. If possible, please have an element of red within their clothing. Don't forget to bring in your donation for this good cause. I will be compiling the joke book this week and will distribute it to parents via email ASAP.

## Stars of the Week

The Stars of the Week last Friday were:

## Skipping success

Well done to Leo, Steven and Nina, who recently took part in the USSP skipping competition, with Leo getting a silver medal and bronze for Nina and Steven.

## Dates for your diary
