

## Mike Mullen's BMX Academy

Last Wednesday we were thrilled to have Mike Mullen, a former World Master Champion and 6 times BMX Halfpipe Champion. Mike led an inspirational assembly about the children overcoming challenges, working hard and building up their resilience. He ended the assembly by demonstrating a variety of tricks to his spellbound audience, which included a certain headteacher being jumped over!

Following the assembly, Mike took a workshop for our Year 5's and 6's in which they learnt a variety of skills, such as going over ramps and performing tricks called the can-can and lollipop!

## Sharing Assembly

I am delighted to welcome back parents into school for our weekly Sharing Assembly from Friday 24<sup>th</sup> September. The assembly will give parents an opportunity to hear about the work the children in each class have been doing, as well as celebrating achievements both in and out of school. The assembly starts at a revised time of 3pm – we hope you can make it. **(Please remember that we are asking adult visitors to wear a mask when inside our building – thank you.)**
