

## House Captains

Last week our Year 6's put themselves forward for nomination as either House Captain or Vice Captain for the remainder of this academic year. The children each prepared a statement on why they should be chosen and the rest of the children voted for their favourite. The House Captains are the front row of the photo, with the Vice Captains behind.

## Reminders

This morning it was raining before school, yet 6 children arrived without coats. Even when it is raining, unless it is very heavy rain, we will try to get the children outside at break and lunch times. Therefore, I would like to remind parents that their child should be provided with a coat each day, until the warmer & drier weather returns (hopefully) next summer.

I would also like to remind parents that pay for school lunches, or use our Breakfast Club, that they should settle their debt as soon as possible. If a parent/carer refuses and/or doesn't respond to reminders sent out by our school office, we will then not allow the family to continue using these services until the debt is repaid in full.
