

## Celtic shields

As part of their Roman topic, the children in Class 2 have been learning about the Celts. Pictured are many of the shields that the children have made which are now displayed around the classroom.

## Flu immunisation

The NHS has written to primary schools recently to say that they are no longer able to offer flu immunisation on the dates that we had booked, as their nursing staff need to prioritise the rollout of Covid vaccinations for the 12 – 15 year olds. As soon as I have an update to share with parents we will let you know. In the meantime, you may wish to consider speaking to your GP if you wish your child to have the flu immunisation as soon as possible.

## Stars of the Week

The Stars of the Week for the last time were:

## Dates for your diary
