

Duxford Air Museum

Last week, Mrs Lunn led an excellent trip to Duxford Air Museum for Class 3. This ties in with their World War II topic theme, so the children focused on particular exhibits, learning about the role of Duxford during the war. As part of the visit, the children were asked to become TV presenters and film a short piece to camera – 3 of which we watched at last Friday's Sharing Assembly.

The children made the most of this opportunity, so it was lovely to see that members of the public asked which school we represented, as they were so impressed with the children.

Just One Tree

Thank you to everyone who dressed in non-uniform last Friday and raised £81.41 for the 'Just One Tree' charity.

Swimming

We still plan to restart swimming, however 2 of the swim teachers we use at Lord Butler Leisure Centre have resigned since the beginning of this term, so we are awaiting news about possible replacements. January looks like the earliest this could restart.
