

## Fundraising

We raised a fantastic £108 for Children in Need last week, so thank you.

Early in the term, families donated food items towards our collection for Uttlesford Foodbank. They have subsequently sent me a letter to say thank you, as they have been able to provide 50 meals to those in need from our donations.

## Sharing Assembly

This Friday's Sharing Assembly will be the last this term, as the hall will be used for the PTA Christmas Fayre on the 3<sup>rd</sup> of December and Class 1's Christmas Production will be performed on Friday 10<sup>th</sup> December. Our teachers will still continue to award the 'Star of the Week' certificates until the last week of term and the children will receive them in one of our whole-school assemblies.

## Reminder

I need to remind parents that if they pay for school lunches and/or use our Breakfast Club, then they should be paying for these upon receiving the invoice and they should not be running up debts to the school.

Where debts remain unpaid, we will stop families using these services until the account is settled.

## Morning arrival

Between 9:00 am and 9:10 am, we have decided that the children should not use the trim trail or other sports equipment during this time. Please also remember to supervise any pre-school children of your own.

## Congratulations to Mrs Mack

Twelve days ago, our school received an unannounced visit from Uttlesford District Council, who sent an inspector to check our food safety and hygiene within our school kitchen. I am delighted to say, that Mrs Mack achieved the highest rating possible, a 5.
