

Reception school places 2022

Last week and today we have welcomed prospective parents to our Open Mornings for a tour of the school with myself and to meet Miss Foote. I have enjoyed meeting lots of new potential families to our school, as well as showing around those families who already have children here. During this term, I will/have been taking individual families on tours of the school, to help them make an informed choice about the school that they wish their child to go to.

The Local Authority, who administer all of the applications for parents who live in Essex (those parents who live in Cambridgeshire or Suffolk must apply for a school place via the county they live in, even if it is for an Essex school such as ours), have asked me to remind prospective parents that they may apply online from today via the link below:

www.essex.gov.uk/admissions

The website also has a copy of the Primary Education in Essex 2022-23 booklet and the Schools Admissions Policies Directories contain details of all admission policies.

Families have until January 15th 2022 to apply for a place, whether you have an older child already at our school or not. Please remember, whilst our school does not directly get involved in the application process, if parents need any help with the application process, our office staff are always willing to help.

Parent governor

Before half term we asked that any parents who were interested in becoming a member of our Governing Body to put themselves forward. I therefore delighted to welcome Mr Kevin Henry as our new parent governor.
