

Curtains

Our school is indebted to the talents of one of our parents, Kate Wickson, who has spent a significant amount of time making curtains that are now hanging in four of our rooms. They have really smartened up the storage spaces they cover, so we are really grateful for her expertise that she volunteered. I would also like to thank the PTA who generously purchased the material to make the curtains.

Nativity performances

As is tradition at our school, we ask that families with babies and/or pre-school children come to our dress rehearsal on Thursday, not to the performance on Friday.

All adults should wear a mask when attending one of these performances, unless exempt. We have chosen not to ticket the performances, so we ask that only immediate family attend and/or grandparents, not extended family/friends.

Photos and videos

It has been brought to my attention that some parents/grandparents have decided to film or take photographs in recent Sharing Assemblies. I therefore would like to remind our families that we do not allow this to happen, as parents have not given permission for this to happen.

Lost property

Another reminder to please ensure that any items brought into school are named – this includes clothing, water bottles, lunch boxes etc. We do have a large amount of lost property in our lost property box – if your child has any items missing, please check in this box which is located in the Office Reception foyer.

Stars of the Week

The Stars of the Week for the last time were all the children in Class 2 and:
