Ashdon News

Class 2

Today we moved the children in Class 2 into the IT Suite, due to damage that has occurred on the staircase leading up to their classroom. Due to the damage, our contract cleaners were unable to access the room last night, so have not cleaned the classroom or its toilets. This would not be suitable at the best of times, but in the current pandemic, it does not make sense to use an uncleaned room.

Mrs Jarmain has kindly offered to clean the desks, chairs and other surfaces from Monday onwards on a short-term basis, so the pupils will be able to return to the room. Unfortunately, they will not be able to use the toilets within the classroom, so they will need to use the Key Stage 2 toilets within our main building.

A local contractor has already been on site and should be able to carry our remedial work to the staircase by the end of next week. Once complete, the classroom will be fully functional again.

Parents' Evening

Whilst we do want to see every family to discuss your child/children at Parents' Evening, we are aware that some families are unable to attend next week due to Covid or other illnesses. I wanted to just reassure those families affected, that the class teachers will rearrange an appointment later this term for you to speak to them in person and see the children's work.

NHS Better Health app

Your child will be sent home today with a leaflet from the NHS promoting the use of their Better Health app. By scanning the barcodes of popular products, it will then give the user healthier options to potentially swap the original product for when you are next shopping for food.

The app is available in the Google Play Store for Android devices and the Apple App Store for iPhones.

Stars of the Week

The Stars of the Week for the last time were:

Dates for your diary

Parents' Evening 3:40 pm – 6:00 pm	7/2/22
Safer Internet Day	8/2/22
