

## Academy Update

Last Wednesday our stakeholder consultation process completed, with regards to the school joining the Saffron Academy Trust. There was only one formal response to this process and this was from one of our parents who was in support of the proposal. Therefore, at their meeting last Thursday, the Governing Body have agreed to proceed with this process.

There are still many steps for both the school and the academy trust to take in order for this take place in our desired timescale of September 2022. This includes getting the Regional School Commissioner to agree to our school joining the Saffron Academy Trust and for the trust to agree with the Local Authority all elements of the legal process that are required. The legal processes can sometimes take longer than hoped, so there is a possibility that we will not convert to an academy until later in the next academic year, rather than September. I will try to keep parents and carers as up-to-date as possible on these matters, so you know what is happening.

## Parent governor

A few weeks ago we asked that any parents who were interested in becoming a member of our Governing Body to put themselves forward. One potential candidate put themselves forward, so there is no need to hold an election. I therefore am delighted to welcome Mr Corey Vost as our new parent governor.

## PE

After the Easter holiday, Neil O'Sullivan Sports will be providing PE lessons on a Tuesday for all 3 classes and they will also provide the lunch time club for ½ an hour. Premier Education will continue to provide after school sport clubs on a Tuesday and Wednesday, so please look out for emails detailing those.

## Stars of the Week

The Stars of the Week for the last time were:

## Dates for your diary
