

World Book Day

For World Book Day last week, Mrs Lunn led an assembly and shared favourite books she keeps at home. She talked about memories and comfort books bring and how we like to reread the same books over and over.

We used the World Book Day resources in our rooms during the morning, for example, Class 3 participated in performance poetry, then later that day Class 1 and Class 2 shared their favourite reading books across the two classes in the hall.

Pancake Day

Last Tuesday, the school celebrated Pancake Day at lunch time, with Mrs Mack offering a selection of toppings for the children to choose to go with their pancake, as can be seen in these photos!

Dates for your diary
