

Adam's London 2 Brighton Challenge

Many of the children know Adam O'Sullivan very well from attending Breakfast or After-School Club. When he told me he is taking part in the London 2 Brighton Challenge to raise funding for the charity Calm, I wanted to help promote his efforts to raise money for this very worthwhile cause. If you would like to find out more information and support Adam, please visit his [Just Giving](#) page (click link).

PTA 10K, 3K & Fun Run

An amazing £4390 were raised by the Ashdon PTA holding this years 10K, 3K & Fun Run. Thank you so much to everyone who contributed to this total being raised, whether this was by participating in any of the runs or eating/drinking any of the refreshments on offer and to all the volunteers who made this possible.

Dinner Money

I have been asked to remind families that they shouldn't be asking for their child/children to have a school lunch unless it has been paid for. Equally, they should not owe money to the school for school meals received, so if you have an outstanding debt, please settle this up as quickly as possible.

Our School Meals Debt Policy states that:

- A. All school lunches must be paid for in advance;
- B. No child should be sent to school with no money in their account and expect to be given a meal;
- C. Parents who do not want their child to have a school meal should provide a healthy, nut-free, packed lunch.
- D. Parents who have a debt between £2 and £25 will receive a balance reminder from the school office. Debts larger than this will be referred to the Headteacher & Governing Body if not settled and the school can refuse to serve meals for that child.
