

## *i* Class 3 residential to Norfolk

All of Class 3 took part in a week long residential to Norfolk, just before half term. When reflecting on highlights of their time spent at our school, the children will often cite the residential as being their top experience. This year, the children experienced many things including sailing on the Norfolk Broads, Geocaching, pond dipping, bug hunting, making environmental art, learning about the role of the RNLI and toasting marshmallows around a camp fire, to name but a few. I would like to thank all the school staff involved in this residential, together with the specialist instructors and accommodation staff, who made this visit such a success. At next Monday morning's Sharing Assembly (9:20 am), the children will talk about their experiences across the week and will be accompanied by some of the many photos we took whilst away – all families are welcome to come and watch.

## *i* Mischief the monkey

Before half term we were visited by Jan and Ann from Great Sampford Baptist Church, who brought along Mischief the monkey (pictured) to help tell part of the Easter Story. We thank them for their time.
