

WaterAid

Towards the end of last term, our School Council organised a fundraising challenge for the charity WaterAid.

Altogether, they raised £55.20 towards this cause.

The children will have a chance to become a member of the School Council soon, as we will be refreshing those who are representing their class for this academic year.

However, before that, our eldest children will be making a brief presentation this week to the rest of their house (Ash, Oak and Elm) to decide who will be voted by their peers as Captain and Vice Captain.

Playground equipment

Using the PE & Sport Premium, we have recently purchased a variety of new pieces of equipment for the children to use at break and lunch times. This includes a giant foam Jenga, an outdoor version of Twister, a foam croquet set, 'cannons' that use air to launch a soft foam ball, skipping ropes and a giant 'caterpillar' track that the children have to stand inside and work together as a team to move forward.

Monday 19th September

Following the passing of Queen Elizabeth II, it has been announced that Monday 19th September will be an additional Bank Holiday. The Department for Education have confirmed that schools should not open on this day.

Stars of the Week

The Stars of the Week for the last time were:

Dates for your diary
