

Fundraising events

We are delighted to be partnering with Just One Tree again this year, to help plant trees in parts of the world with extreme poverty. Last year we raised £99, so planted 99 trees.

This year, Just One Tree day is on **Friday 14th October** and your child can wear non-uniform to celebrate this (it can be green, but not required).

Many families are sadly affected by cancer, in one way or another. At this present time, one of our families is dealing with breast cancer, so they have asked whether we can support the 'Wear it Pink' day on **Friday 21st October**. We will therefore have a second non-uniform day, where we would ask if the children can wear an element of pink if possible.

I realise the above two fundraising events are very close together, but we had already committed to 'Just One Tree' and I felt it was important to show our support for the family dealing with breast cancer at this current time. We would therefore be grateful for any level of donation you can afford across these 2 events.

New Class 1 toilets

Below are a couple of photographs of our new toilets in Class 1. I hope you will agree, that these are a big improvement on those that they replace. Thank you once again to the Friends of Ashdon School for their contribution towards the cost of the refurbishment.

I am also pleased to announce that the external roofing work has come to an end, although they will be back in half term to finish the inside of the hall and KS2 toilet ceilings.
