

Ofsted

We are sending all our families a copy of our Ofsted report today. As you will see, I am delighted to say that Ashdon Primary continues to be judged a 'good' school.

Stars of the Week

The Stars of the Week since the beginning of term have been:

Bug Club access

Last Friday marked the end of our school's access to Bug Club. We originally purchased this online resource to support reading during the pandemic lockdowns, but it has been used less by families since then. Please note, all children still have access to Mathletics.

Holocaust Memorial Day

Our Year 6 participated in the Holocaust Memorial Day service of commemoration at St Mary's Church in Saffron Walden last Friday.

As part of the service we were given a talk by Baroness Cox, a former Deputy Speaker of the House of Lords, who described the work of HART [Humanitarian Aid Relief Trust], who help support the education of children in war-torn countries.

Dates for your diary
