

## Goodbye

In July 2005 I didn't think I would again be part of the journey of Ashdon Primary School, but at the time, after 2 years of teaching Year 1 & 2, I could comfort myself that I had fond memories to reminisce on as I looked forward to getting married that summer holiday and starting my first permanent Headship in Suffolk.

So when I saw the advert for this school in the spring term of 2019, I jumped at the chance to be part of the school again and reunite with Mrs Lunn and Mrs Davies, who were here during my last stint, along with looking forward to working with the other staff.

I think it is fair to say that our school has faced some significant challenges over the last 3 years and 2 terms since I rejoined in September 2019, but we have come out the other side with many successes and kept the core values of being a friendly, family school, which was recognised in our recent successful Ofsted inspection report.

I would like to thank the staff and governors for the support that they have given to help our school and to the parents who have made a positive difference to both their own children's education and to the wider school.

As with any job in a school, it will be the children that I miss the most, whether I have taught them directly or just talked to them as they move around the school or at playtimes. We have some wonderful citizens of the future here at our school.

If I don't see you personally to say goodbye, then I do hope you have a wonderful Easter holiday and I wish you every success in the future.

## Stars of the Week
