### Ashdon Primary School PTA Presents:

*The Annual Ashdon 3K/10K Fun Run 2023*

Taking place on Bank Holiday **Monday 1st May 2023**

#### *Parents, can you help?*

This is our largest fundraiser of the year for our school, and we rely on our amazing volunteers.

If you can help, please click on the following web link, and follow the instructions, it only takes a few seconds.

<https://volunteersignup.org/KRAT8>

or copy it into your web browser, ask anyone at school to help you to sign up for this lovely event, or email

[ashdon10k.info@gmail.com](mailto:ashdon10k.info@gmail.com)

Thank you for those who already signed up and volunteering!

You are the BEST!

**Bake off!**

We also need baked goods to sell at the 'Refreshments Stall'. Anything tasty goes. **We do need a list of ingredients and allergens, which can be emailed to the PTA or provided on the day.**

Please let us know if you intend to bake so we know what sort of 'stock levels' we will be working with!

email: [ashdon10k.info@gmail.com](mailto:ashdon10k.info@gmail.com)

Thank you

#### *Entry is still OPEN!*

Current earlybird prices are £2 per entry CHEAPER so please register before the race as there is a short window for registration on the day.

#### **CHALLENGE!!**

Challenge for every single pupil and members of staff at school. On the 1st May, there will be many people running!

I, Ms. Reynecke is challenging all our staff & pupils to take part in the 3km fun run on the day. There will be trophies and stickers! The class with the most pupils attending will be rewarded by having an afternoon of baking and decorating yummy cupcakes with Ms.

Reynecke! All children must be supervised by a responsible adult.

Staff will also be in for a treat or two if they join in!

## Marvellous Maths of the Week!

In April we celebrate Mathematics Month. Look at all the fantastic work completed by our clever mathematicians!

### Class 1 Maths this week:

Reception children have been exploring teen numbers using towers of cubes.

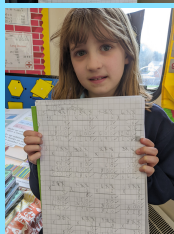

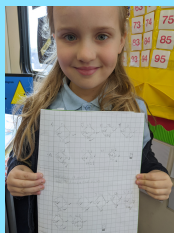

Year 1 and 2 have been learning to tell the time, o'clock, quarter past, half past and quarter to.

### Class 2 Maths this week:

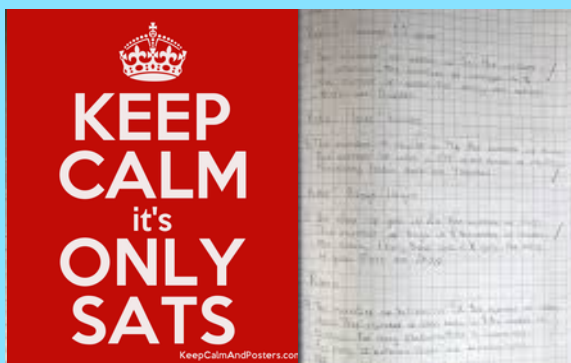

This week Class 2 have been working hard in Maths, as usual! Some children have been learning how to 'Double' and 'Halve' using a method that can be seen (written so neatly!).

The rest have been learning multiplication, using the 'ladder' method. Although it was hard at first, the children have become very confident in using this method and some, have been completing multiplication challenges!

### Class 3 Maths this week:

This week Class 3 have been working hard in Maths, solving problems and working on their various skills. Year 5 is doing amazingly well and is keeping up with our SATs focused Year 6's. Almost there, keep going!!

## Safeguarding Information

Notice to all parents and pupils! With the departure of Mr. Rance, Ms. Reynecke will take over the responsibility of Designated Safeguarding Lead alongside Mrs. Allen. If you do have any concerns regarding the safeguarding of our pupils make sure that you speak to us to support you with any concerns.
