*I observed teachers this week for various subjects and was so impressed by the preparation that goes into the activities for our children.*

*When in Class 3, they learned about conversions of time. They used such a range of calculations, learned prior, and showed real understanding in the progressive nature of the tasks at hand. I was so impressed to see the tenacious attitudes to learning and how they applied a variety of mathematical skills. What a privilege to see learning like this in classes!*

*We will miss you*

It is with great sadness that we are saying goodbye to Mrs. Osborne. She has been a true gem throughout, making sure that our children have a lovely meal every day. We want to say a huge thank you to her for all her support, hard work and being part of the Ashdon Team!

We all will miss her so much!

We will update parents soon with regards to a replacement for Mrs. Osborne.

## Healthy Snacks!

We have noticed that some children have been bringing in unhealthy snacks lately e.g. chocolate bars, crisps etc.

We will be monitoring this as we are a 'Healthy School' and a healthy snack consists of fruit, veggies, yogurt, stringy cheese or a healthy breakfast bar (with no chocolate or nuts please).

Unhealthy snacks will unfortunately be confiscated and sent home at the end of the day.
